We at The House of Tobacco believe in quality and complete customer satisfaction. Our philosophy is embodied in our simple Pledge:

- “We’ll suggest to you what we would do if this were our own business”
- “We’ll take care of the humidor like if it was our own store”
- “We’ll treat you with the same respect as if you were part of our own family”
- “And we will keep working to grow our new cigar client base”

Please feel free to call any of the following customers to see for yourself that we are who we say we are.
